To all Drawers of Bills in the State.

Re :—the presentation of Contingent, Supplies and Service bills for pre-audit before the end of the Official Year 1945-46.

No. 127—Ps. To avoid rush of bills in the last few days of the official year, Drawing Officers are requested to send bills to this office for pre-audit as early as possible as each bill gets ready. Keeping them till the end of the month of June 1946 causes inconvenience on account of heavy work in the Audit Office and much avoidable pressure is thrown on the Pay Section adding to the heaviness and congestion in that Section.

Bills for Contingencies, Supplies and Services received in this office after the 25th June 1946 cannot ordinarily be expected to be returned audited before 30th June 1946.
